

HerPower2, Inc. and Coupa Empower Partner to Make Professional Mentorship More Accessible for Women

HerPower2, Inc. is providing Coupa Empower access to the HerCsuite™ platform, making mentorship for women easily accessible for Coupa's alliance partners and employees

Chicago, March 22, 2022 -- [HerPower2, Inc.](#), an organization that creates products to advance and empower women, today announced a new collaboration and partnership with [Coupa Empower](#) to transform the way women experience mentoring across organizations. HerPower2, Inc. created a customized portal on the [HerCsuite™](#) platform for Coupa and Empower partners.

Coupa Empower, an Employee Resource Group (ERG), has a disruptive mentoring concept where mentees are paired with mentors from partner companies to create a more integrated community and gain outside advice. Mentorship pairs will collaborate via the HerCsuite™ platform, allowing them to easily communicate and plan events, while staying connected inside a private group. The app is available on [iOS](#) and [Android](#).

"Coupa Empower's mission is to break down barriers to women's success by creating a community of individuals and organizations working together to unleash the impact of women in business. The HerCsuite™ platform is the perfect solution for our mentoring program to drive synergies across organizations, while giving our Coupa Empower volunteers a powerful resource at their fingertips," said Gina Tesla, Coupa Empower Board Chair.

In addition, HerPower2, Inc. is providing Coupa Empower access to [Innovation Women](#), a speaker's bureau for women, to help Empower source speakers for events directly in the HerCsuite™ platform. Simplifying event execution is helping Coupa Empower participants save time, gain access to high-level female speakers, and focus on expanding their leadership skills.
